

CUSTOM HEIGHT TUBE SUPPORTS

~ Great for lab & life sciences applications ~

- Ⓚ Available to fit 1/4" - 1" OD tubing diameters
- Ⓚ Quick turnaround on custom stand-off height
- Ⓚ Easily align tubing in parallel with fixed components
- Ⓚ 304 stainless housing standard, 316 stainless optional
- Ⓚ Mechanically assembled standard, welded optional
- Ⓚ Single-bolt hinged clamp eases installation

Materials

Housing	304 Stainless Steel (316 SS Optional)
Hardware	304 Stainless Steel (316 SS Optional)
Clamp Insert	Polyethersulfone
Interior Support Rod	304 Stainless Steel
Exterior Tube Cover	316L Stainless Steel
Mounting Plate	304 Stainless Steel (316 SS Optional)

Temp Rating

-22 to 300°F	(-30 to 150°C)
--------------	----------------

Surface Finish

Ra= 25µin	Ra= 0.63 µm
-----------	-------------

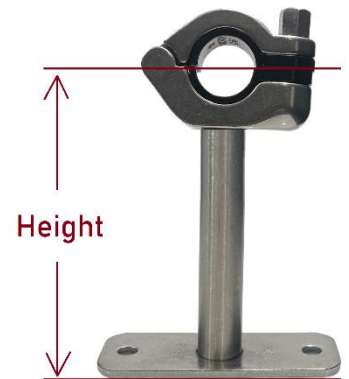

Ordering Info:

304 - CHTS - 08 - 4.00

304 = 304 Stainless Steel
316 = 316 Stainless Steel

CHTS = Custom Height
Tube Support

04 = 1/4" OD Tubing
06 = 3/8" OD Tubing
08 = 1/2" OD Tubing
10 = 5/8" OD Tubing
12 = 3/4" OD Tubing
1 = 1" OD Tubing

X.XX = Height (inches)
measured from mounting
surface to tubing
centerline
